Inspiration-Nature

Nature

The beauty found in nature inspires us. Take a look outside and let yourself be overtaken by the majesty of everything you see around. But most of it pay attention to the grace and artistry of nature. That beauty and diversity sparked the creation of Mathios Stone architectural veneers.

Color Palette

Color Palette

Cognitive research and current behavioral studies have demonstrated that humans respond favourably to the complex forms and colors of nature. Warm Beige, Earthy Brown, Copper hues, Terracotta, Ash Gray, Dusky Slate, Pure White & Charcoal Black compose the color palette of Mathios Stone.

Specialized craftsmen handpaint each stone and brick, combining various colors and achieving rich and deep color tones.

The image is a composite. The background is a photograph of a sunset or sunrise over a body of water, with a sky transitioning from deep blue to orange and red. The water in the foreground shows horizontal ripples and reflections. Overlaid at the bottom is a white rectangular box containing three square texture samples, each with a label below it:

- Rough Texture:** A close-up of a brown, cracked, and uneven surface, resembling dry earth or weathered rock.
- Mild Texture:** A close-up of a grey, slightly uneven surface, possibly concrete or a smooth rock face.
- Smooth Texture:** A close-up of a light-colored, horizontally layered surface, resembling polished stone or wood.

Texture

Linear, Rectangular, Irregular, Round, Geometric, Brick Slips, Coarse & Smooth compound the textures variety of Mathios Stone.
