# — THE LOUNGE COLLECTION

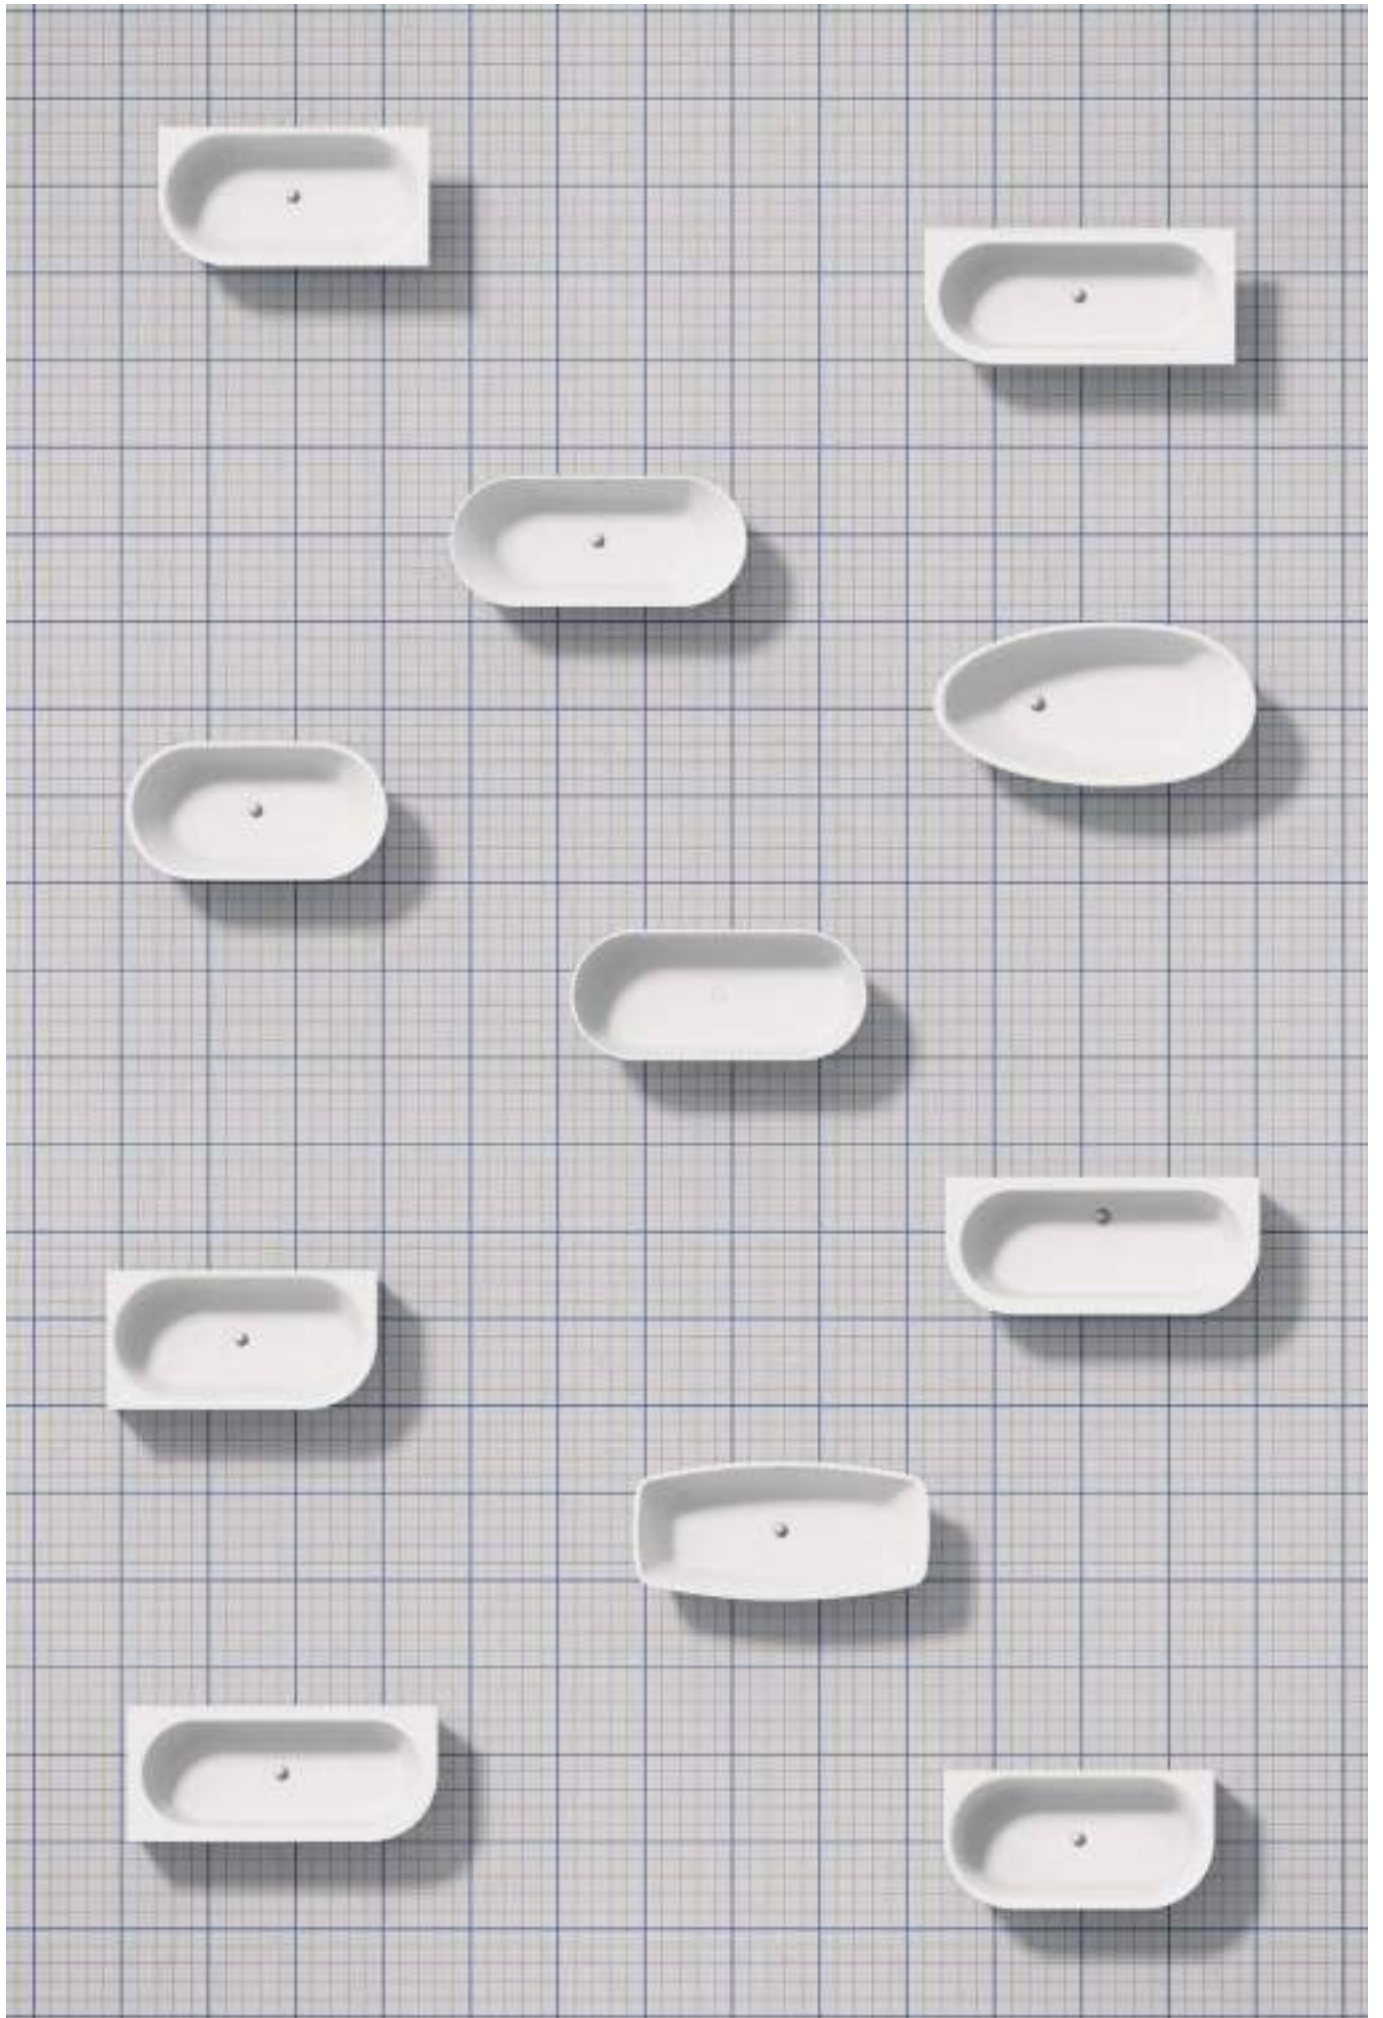

## **SEVEN REFINED AND ELEGANT MODELS IN FREE-STANDING, CORNER AND WALL VERSIONS**

A new collection of bathtubs characterised by sophisticated, elegant shapes in several versions, allowing installation to suit individual requirements, adapting to every environment. More than just bathtubs, they are true complements for your personal well-being.

The collection is characterised by soft and essential lines, with shapes veiled by shadows and volumes that enhance the smooth and elegant profiles.

Timeless creations in which design and functionality merge in silhouettes that are sometimes traditional and sometimes minimalist.

Every bathtub is designed to allow the correct immersion of the body and the greatest sensation of comfort.

# — BRAND STORY

**1915**

The Jacuzzi family departs Italy for the United States and transforms the aviation and agriculture industries.

**1956**

Introducing the spa: Candido Jacuzzi invented the J-300® pump, the first portable hydrotherapy device to be applied to a household bathtub

**1968**

ROMAN BATH the first whirlpool bath in the world.

**2006**

AURA a new range of tubs that can be customised with wood, marble and other precious materials.

**2008**

AQUASOUL and AQUASYSTEM® Innovation transforms hydromassage into noiseless wellness while technology fully customises its functions.

**2010**

FRAME the shower that celebrates total wellness in a contemporary design frame: an authentic private spa with shiatsu hydromassage and steam bath options.

**2012**

TARGETPRO™ flow-rate, intensity, direction, slant: hydromassage now offers unprecedented customisation heights.

1986

DESIGNER  
COLLECTION  
the first Jacuzzi® collection  
made entirely in Italy,  
from design to production.

1992

J-TWIN  
the first Jacuzzi® model  
to combine the  
comfort of a bath with the  
convenience of a shower.

1993

A SHIATSU MASSAGE  
IN WATER  
Jacuzzi® develops new,  
exclusive technology and  
launches the first shiatsu  
hydromassage system  
in a bath.

2004

MORPHOSIS  
top design, top  
technology: launching  
of the first line designed  
by Pininfarina.

2014

MUSE  
the art of a masterly Shiatsu  
massage paired with  
the formal elegance of a  
freestanding bath.

2019

ARGA®  
the ARGA® design is  
fluid and minimal to  
complement the gentle,  
soft and enveloping  
Swirlpool® bathing  
experience.

2020

XYZ+  
the new Jacuzzi® shower  
system designed to fit  
every space.

2022

LOUNGE Collection  
Seven refined and elegant  
models in free-standing,  
corner and wall versions.

free-standing bathtub

## **OVAL FREE-STANDING BATH, FOR MODERN INSTALLATIONS IN SMALL SPACES.**

Is the smallest free-standing bathtub in the Lounge range, perfect for timeless installations in settings where space is limited. Available in white gloss and satin versions, its oval shape makes it perfect for installation in small spaces. Its sinuous lines offer superior comfort for every position of the body, thanks to its dimensions which, although compact, still offer a generous capacity.

## **CENTRE WALL OR CORNER BATHTUB, FOR A RELAXING EXPERIENCE IN SMALL CONTEXTS.**

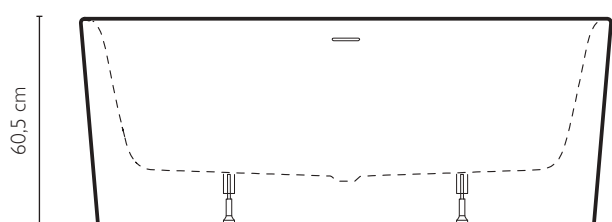

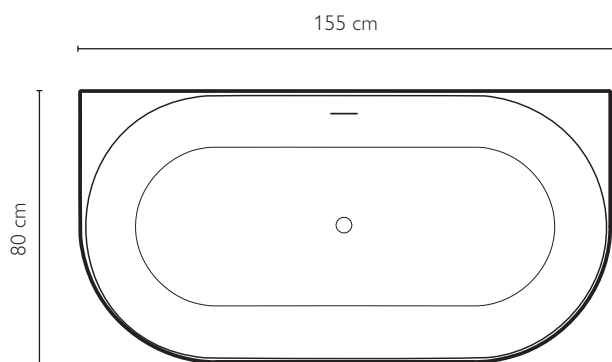

is the bathtub with sinuous lines that offers surprising comfort even in the smallest of spaces. Available in left corner, right corner and centre wall versions, it comes in gloss or satin white finishes to offer a linear yet highly personal design, despite its small size.

The internal seat maximises the space available and the upper edge offers practical storage surfaces. The lightness of acrylic, a warm material which is pleasant to the touch, also allows for easy installation and reduces stress on the floor.

## **MODERN FREE-STANDING BATHTUB, AN ISLAND OF RELAX IMMERSSED IN DESIGN.**

A subtle island of relaxation where you can take refuge and release all tension, thanks to the comfort of the lounge seat. Available in gloss and satin white versions, it offers a delicate, modern line, suitable for every setting. A solution that combines design and materials of excellence, paired with prestigious finishes and the sophistication of the acrylic shell with the invisible joint. Despite being 170 cm long, it guarantees efficient water distribution with particularly low consumption.

## **CENTRE WALL SQUARE BATHTUB, FOR ELEGANT AND MODERN SPACES.**

Characterised by the clearly defined features of its square shape, which works well with modern and minimalist environments.

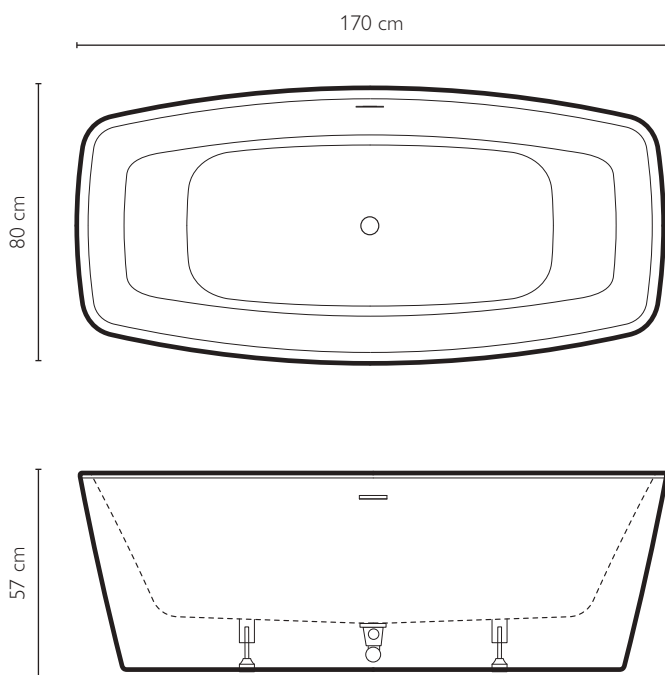

Available in gloss and satin white versions, it offers the charm of a contemporary creation enhanced by exclusive details.

The two backrests are positioned so that they face one another, allowing a different perspective for a comfortable and relaxing bathing experience every time, no one ever the same.

## **CENTRE WALL OR CORNER BATHTUB, FOR IMMERSION IN THE COMFORT OF GENEROUS SPACES.**

Its generous proportions and ergonomic shape offer a truly unique immersion experience. Its wide, streamlined edge allows you to store toiletries and accessories. In the corner models, the wide, linear edge allows the installation of an optional glass panel so that the bathtub can also be used as a shower. Available in left corner, right corner and centre wall versions, it comes in gloss or satin white finishes, with a highly distinctive design, encapsulated in reduced dimensions. The seat inside enhances the space available and the overall bathroom experience, thanks to the pleasant feel of the acrylic and the exclusive finishes.
